The screenshot shows the user interface for CEN/TC 247 "Building Automation, Controls and Building Management". The breadcrumb trail is "Enterprise > CEN/TC Working Areas >". The committee name is displayed with a TC icon. A navigation menu on the left includes "Committee Home", "Child Committees", "CEN Projex-Online", "User Guides", "CEN Applications", "My Committees", "My Tasks", and "N-Documents List". A red box highlights a message: "This committee is hosted externally. Please follow this [link](#) to access its working area." Below this is a note: "NOTE: Balloting information as well as the member list on this site are up-to-date." A structure table is visible at the bottom, with columns "Type" and "Name", and one entry for "CEN/TC 247 'Building Automation, Controls and Building Management'".

- When all Committees are migrated to '**CEN Documents**', CEN Application Portal will be updated and '**Documents**' will point to the new environment. Another option will be created to access Other platforms on Content Server (Livelink)

11. What's next?

Next steps :

- Starting now : **If possible, please avoid any TC/SC/WG changes (Creation, Name change, Move, ...)**

- Before 4 may - Advice for DIN Secretaries :
Notify as much documents as possible
- ISO has started Pre-Migration of Chunk 3 Documents
- On **Tue 2021-05-04** : Chunk 3 Go-Live :
 - **Content freeze : Starting 06:00 AM → No more Uploads**
 - Downloads from eCommittees still possible
 - CEN Documents should be available for Chunk 3 Committees on next day

Next steps (2) :

- After May 4 : **no more uploads in eCommittees !**

- On 5 may - Advice for DIN Secretaries : **Avoid moving migrated Files or Folders in CEN Documents**
- Reason : An additional migration step is needed to re-align the CEN Doc structures with the DIN-Livelink structures
- The alignment scripts for missing and moved documents are scheduled to run on the day after the migration

- On 5 may – Similar Advice for AFNOR Secretaries :
Planning for alignment scripts to be confirmed

Note : A similar work will be done in coming weeks for Chunk 1 and 2 Committees.
