Public Website – Guided Tour

www.cencenelec.eu

The screenshot shows the homepage of the CEN and CENELEC website. At the top, there is a dark teal navigation bar with links for 'About CEN', 'About CENELEC', and 'Contact Us' on the left, and 'Search Standards' with a magnifying glass icon and 'MY EXPERT AREA' with a user icon and a magnifying glass icon on the right. Below the navigation bar is the CEN and CENELEC logo. To the right of the logo are four menu items: 'EUROPEAN STANDARDIZATION', 'GET INVOLVED', 'AREAS OF WORK', and 'NEWS AND EVENTS'. The main content area features a large blue banner with a background image of a hand holding a tablet displaying a network of glowing nodes and lines, with a robotic arm interacting with it. The banner contains the text 'Making standards for Europe' in large white font. Below this, a paragraph reads: 'CEN and CENELEC are business catalysts in Europe, removing trade barriers for European industry and consumers in order to foster the European economy in global trading, the welfare of European citizens and the environment.' There are two buttons: 'ABOUT CEN' (dark teal) and 'ABOUT CENELEC' (white with dark teal text). At the bottom left, there is a 'LATEST NEWS' section with a circular icon containing a 'C' and a 'N'. At the bottom right, there is a 'VIEW ALL NEWS' link.
