

European Committee for Standardization

CEN webinar 'New Delegated Decisions to CEN Technical Committees and CEN-CLC Joint Technical Committees with CEN lead'

3 February 2026

Get the most out of the session today

 By default, you are muted.

 To submit your questions, please use the Q&A panel

A screenshot of the top part of a 'Question and Answer' panel. It has a dark header with the title 'Question and Answer' and three small icons on the right. Below the header, it shows 'You 04:36 PM' and the question 'When is the next session?'.

 Talk about us on LinkedIn, Bluesky and Instagram with [#training4standards](#)

A screenshot of the question input area of the Q&A panel. It features a text box with the placeholder 'Type your question here...'. Below the text box is a checkbox labeled 'Send anonymously' and a 'Send' button.

 This session is being recorded

1. New delegated decisions to CEN/TCs and CEN-CLC/JTCs with CEN lead

- ▶ Background
- ▶ BT decisions
- ▶ Status update and Applicability
- ▶ Impacts on TC secretaries
- ▶ New formatted decisions in CEN BOSS
- ▶ Handling of decisions

2. Change of approval criteria for three decision types

- ▶ Background
- ▶ BT decisions

3. Tools – Live Demo

1. New delegated decisions

to CEN/TCs and CEN-CLC/JTCs with CEN lead

New delegated decisions to TCs

Background

Increase the responsibilities delegated from Technical Boards to the Technical Bodies

Reduce administrative burden and optimise standard development timeframe

A number of decisions is **already delegated** to CEN/TCs

New delegated decisions to TCs

BT decision 008/2024

- ▶ BT agreed to delegate selected decisions to CEN and CENELEC (J)TCs
- ▶ CCMC was mandated to prepare an implementation plan

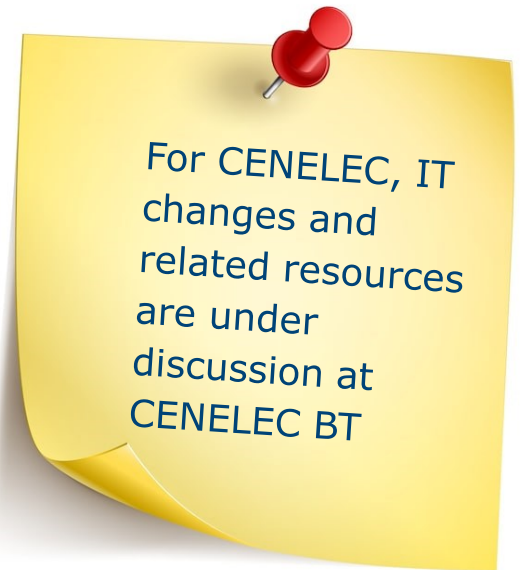

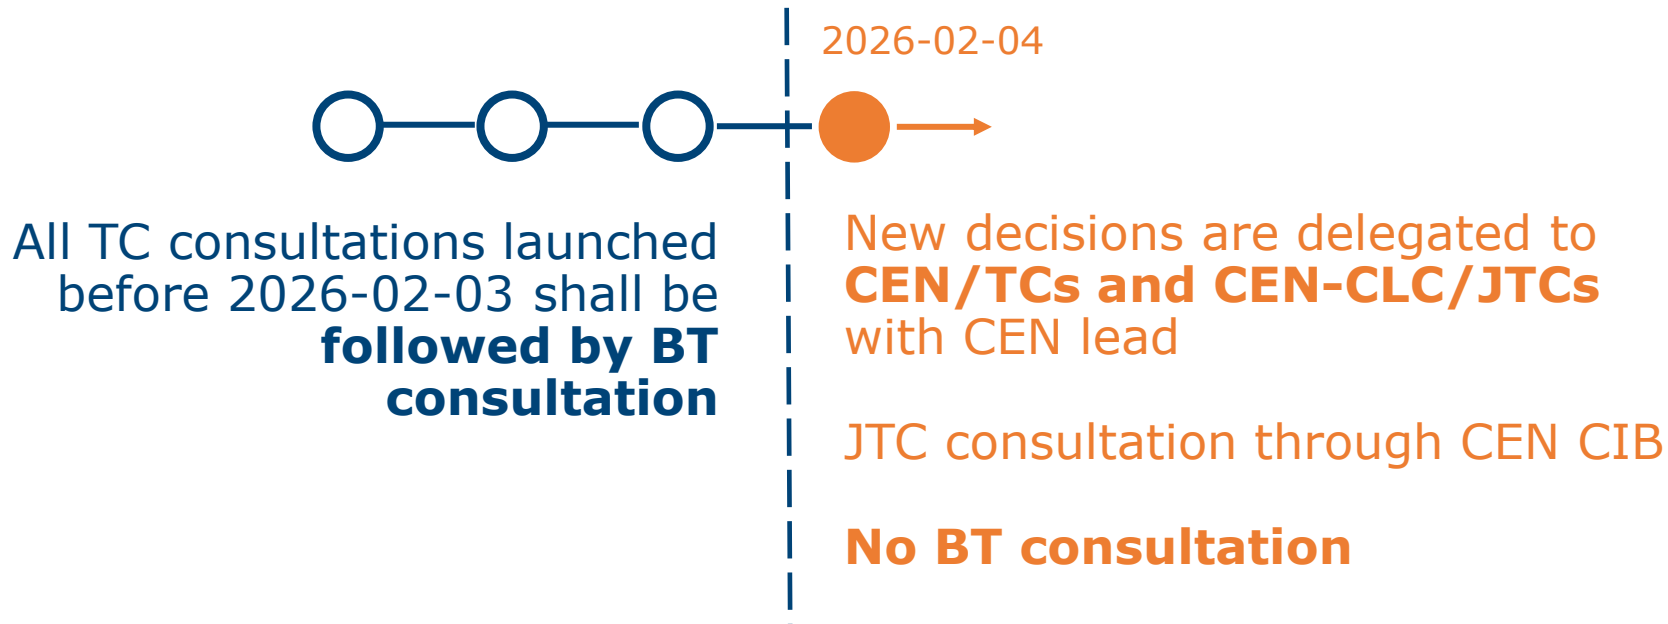

BT decision C024/2025

- ▶ BT decided to delegate three types of decisions to CEN and CENELEC (J)TCs:
 - ▶ withdrawal of deliverables
 - ▶ removal of links to legislation
 - ▶ 2nd FV requests on hENs
- ▶ Delegation will be implemented stepwise: first without automation (via CIB/CIV), followed by full IT automation after re-assessment of the decision
- ▶ Application from 1 October 2025, subject to IT readiness

New delegated decisions to TCs

Applicability

This decisions applies to WIs that are launched for approval **as of 4 February 2026**

New delegated decisions to TCs

Impacts on TC secretaries

Very little: you will keep using the same tools

- ▶ **CIB** → Three new templates
- ▶ **Formatted decisions** → New templates on CEN BOSS
- ▶ **Email to Data service** → Share the decisions after closure of CIB

New delegated decisions to TCs

Formatted decisions

- ▶ Available on [CEN BOSS](#) → Formatted decisions → 2. Decisions delegated to a Technical Committee → 2.2. Related to the Technical work
- ▶ Use these templates to circulate the TC decision once the CIB has closed

Formatted decisions

Templates of decisions for which no BT approval is needed. For more information on their handling see the procedure on '[Delegated Decisions](#)'.

NOTE: Formatted decisions adopted at meetings or by correspondence (using the [CIB](#)) shall be sent by the TC Secretary by e-mail to dataservice@cencenelec.eu or submitted via the PROJEX-ONLINE working area.

0 CALCULATION TOOL

For decisions taken by Technical Bodies, the following calculation tools for determining the voting weights are available:

- › [CEN calculation tool](#) (Lisbon treaty)

1 DECISION DELEGATED TO CEN-CENELEC MANAGEMENT CENTRE (CCMC)

- › [Extension of dowa on request of a CEN/TC or CEN Member](#)

2 DECISIONS DELEGATED TO A TECHNICAL COMMITTEE

- 2.1 Related to TC organization
- 2.2 Related to the Technical work**

New delegated decisions to TCs

Handling of decisions once approved through CIB

► Decisions to be sent by email to Data service

In the near future:

- Decisions on withdrawal of deliverables will be linked to Working area (use emails until further notice)

In a 2nd step:

- Decisions on removal of links to legislation and 2nd FV requests on hENs will be linked to Working area → emails by default for time being

2. Change of approval criteria

For three decision types

Change of approval criteria

Background

Simplify the tasks of TB secretaries
by clarifying approval criteria

Increase consistency and harmonisation in
decision-making across CEN and CENELEC

Change of approval criteria

BT decision C023/2025

- ▶ BT decided to align the approval criteria across CEN/TCs, CLC/TCs and CEN-CLC/JTCs for:
 - ▶ withdrawal of deliverables
 - ▶ removal of link to legislation
 - ▶ amendments/revisions not modifying the scope

! Voting criteria are **embedded in CIB** and to related voting results

		Voting criteria
Withdrawal of deliverables	Mandated	Weighted vote and double counting
	Non-mandated	Weighted vote
Removal of links to legislation		Weighted vote and double counting
Activation of PWIs/ Approval of NWIs for: <ul style="list-style-type: none">• Amendments to ENs not modifying the scope• Revisions to ENs or TSs not modifying the scope		Weighted vote

3. Tools

CIB and Working Area

New templates on CIB

Working Area – Activation of PWIs/ Approval of NWIs

Section 1 - Complete type of deliverable and item description

1. Deliverable

- ☒ EN
☐ TS
☐ TR

2. This item corresponds to

☐ A new project

☐ An amendment to an EN

☒ The revision of an EN [Add](#) [Remove](#)

☐ The conversion of a CEN/TS into an EN

☐ The revision of a CEN/TS [Add](#) [Remove](#)

☐ A new TR

☐ The revision of a CEN/TR [Add](#) [Remove](#)

25. The decision was taken by

☐ Weighted majority (min. 65%) and unweighted majority (min. 55%)

Percentage of positive weighted votes:

Number of positive votes: Number of negative votes: Number of abstentions:

☐ Simple majority

Number of positive votes: Number of negative votes: Number of abstentions:
